

Local Duluth Balloon Artist to create Balloon Wonderland for Wish Kids in Orlando.

Laural Schultze, owner of Lauralloons has been selected as part of a talented team of international Balloon Professionals, to create a giant immersive balloon wonderland sponsored by Qualatex and using over 300,000 balloons for the Give Kids the World charity in Orlando.

As part of one of the biggest most unique projects, Schultze, leaving their business in Duluth will join a select group of balloon artists in Orlando between 11th and 15th July 2022.

Using her balloon skills she has developed over the last 6 years, Schultze will be part of creating several fantastical themed areas such as Toyland, the Enchanted Forest and Jungle Safari in an area of nearly 30,000 sq ft, with displays towering as high as 24ft in height. All to support the critically ill children from all over the USA including Minnesota, providing the families with joyful moments that can lead to lasting memories, transforming the happiness into hope.

Pam Landwirth CEO of Give Kids the World “What an amazing event this is, Laural is going to be part of creating many iconic pieces from our Give Kids the World Village in this gigantic balloon display ... We are so grateful for their support of ‘Give Kids the World’, demonstrating how the joy of balloons can also make a difference to the lives of so many.”
